Active playtimes that encourage the engagement of all pupils in physical activity each day. Increase high quality play space and resources that enable safe, engaging, pupil led active playtimes. All pupils are encouraged to be active during playtimes and lunchtimes – Covid-19 was a restriction, but children brought in own skipping ropes / hoops and quoites to enjoy at playtimes (as use of school equipment was restricted and children were in class 'bubbles.')	The sandpit has increased the active play opportunities and provides plenty of space for pupils to be creative and active – it has been a very popular addition. The extra play spaces provide more opportunity for pupils to be able to work together safely on their chosen types of play. Extra adult needed – play leader recruited for Sept 2021.
